

Go PRO Silver Package

\$1995.00

Prepare for a successful journey as a PADI Instructor with our all-inclusive Go PRO Silver Package at Sugar Land Dive Center. This comprehensive eight-day program equips you with the essential skills and knowledge required for a rewarding career in scuba diving instruction. Here's what our Silver Package includes:

Optional Two-Day IDC Prep Course: Start your IDC journey confidently by opting for our additional two-day prep course to brush up on your dive theory, use of the PADI Instructor Manual, and your in-water dive skills.

PADI Instructor Development Course: Our core program covers every aspect necessary to become a proficient PADI Instructor.

Emergency First Response Instructor (EFRI) Course: Learn how to instruct others in CPR and First Aid, invaluable skills for everyone.

IDC Digital Crewpac: Access essential digital materials to begin your learning experience.

EFRI Start-Up Pac: Equip yourself with the tools needed to kickstart your Emergency First Response CPR and First Aid training.

Emergency O2 Provider Specialty Instructor Course: Develop expertise in teaching others how to provide emergency oxygen, a vital skill for every diver.

But that's not all! As an Instructor Candidate at Sugar Land Dive Center, you'll also benefit from:

Professional Level Continuing Education Opportunities: Increase your instructional opportunities with ongoing workshops and Specialty Instructor Courses.

Fill Station Overview: Observe how to fill tanks, blend Nitrox, and get familiar with the daily operation of a Fill Station, expanding your knowledge base.

Equipment Maintenance: Learn the ins and outs of basic scuba gear maintenance, a crucial aspect of dive instruction.

Retail Sales Exposure: Immerse yourself in a retail sales environment and interact with sales staff, learning sales techniques and product features. You will also see an overview of Dive store-oriented Point of Sale systems (POS).

Job Placement and Resume Assistance: Let our experienced Management Team review your Resume and use our extensive connections throughout the Dive Industry to assist you in your search for employment.
